

Premier of New South Wales

**MESSAGE FROM THE HONOURABLE MORRIS IEMMA MP
PREMIER OF NEW SOUTH WALES**

I send my congratulations on the occasion of the IITians special networking seminar featuring Mr Kumar Parakala, National Vice President, Australian Computer Society and Global Chief Operating Officer – Information Risk Management, KPMG and Dr Megan Clark, Vice President Technology BHP Billiton.

This seminar is an important opportunity to build on the IIT name – a name that is synonymous with success and achievement.

IIT graduates have taken up a range of prominent positions in some of the worlds leading IT companies. From the likes of Microsoft, Intel and McKinsey, IIT graduates have left an indelible mark in the global IT arena.

May tonight, in the company of our two esteemed guests, continue to act as forum for the exchange of ideas, vision and professional friendships.

With best regards,
