### MESSAGE FROM THE PREMIER THE HON BOB CARR MP

It gives me great pleasure to convey this message on the occasion of IITians Association of Australia evening with Arjun Malhotra.

Over the past several years, we have seen the phenomenal growth in bilateral trade and strengthening of relations between Australia and India.

IIT promotes the Indian brand globally and the organisation's graduates are considered one of India's most valuable exports.

IITAA also plays an important role in providing networking opportunities.

Tonight, NSW is proud to have the presence Arjun Malhotra, CEO Headstrong, United States.

I convey my best wishes for an informative and enjoyable evening.
